Dear Mr. Norfleet,

This is in response to your request for information dated Sept. 12, 2012 referencing the Crawford for Congresses amended april quarterly report (01/01/2012 - 03/31/2012), received 05/09/2012.

Due to a data entry error our 2012 April Quarterly Filing incorrectly reported expenditures that were inadvertently listed as memo items. The Amended report corrects this error and properly reports the total expenses- resulting in the increase referenced in your request. Our procedures for recording and reporting expenditures has been updated and revised accordingly to ensure this error does not occur going forward.

Sincerely,
Matthew Knight, Treasurer
Crawford for Congress
